

Presidents Message June 2006

Hi Everyone,

It was certainly a pleasure to be a Member of the Epicurean Club of Boston, not to mention president, at our meeting May 22nd at the Café Escadrille.

Chef Brian Therer, and his crew absolutely blew us away with his champagne shrimp, oysters, clams, cheese board, breads and so many passables who could count them? We then sat down to a classic Escoffier style dinner. Next, roll call was quite impressive with over 130 attendees and V.I.P.'s. Then Rico DiFronzo, Chairman of the Board, orchestrated the introduction of all the scholarship recipients, they are listed below:
